All future amendments to this list will be posted on our website (www.hassockscommunity.org.uk/discount-card). Cardholders should look out for the window stickers and “enquire within” for the latest offer.

HCO will use reasonable endeavours to ensure that the discounts on offer from village traders are accurately reflected on its website. However, it is part of normal trading activity that some offers may be withdrawn or perhaps replaced with others. Consequently, HCO is not liable in the event that traders make changes to their discounts or offers, with or without prior notification. HCO recommends that Discount Card holders should always confirm the offers with the trader before making buying decisions.
